Objective	I expect the challenge of developing my skills in the Biology and Molecular Biology field.	
Education	Master of Sciences, Biology , University of Puerto Rico, Mayagüez Campus. GPA: 3.78	May 2007
	Professional Title of Biologist , National University of San Antonio Abad del Cusco, Perú.	March 2003
	Bachelor in Biological Sciences , National University of San Antonio Abad del Cusco, Perú.	October 2001
Publications/ Presentations	Phytoplankton abundance and distribution in Mayagüez Bay. SIMPOSIUM, quince años de investigación Oceanográfica en la Bahía de Mayagüez, Puerto Rico. 2007. Oral presentation. Distribution and diversity of Cyanobacterial communities in Mayagüez Bay, Puerto Rico. 3 rd Latin American and Caribbean Biotechnology Congress. September, 2006. Poster presentation Phytoplankton abundance in Mayagüez Bay. Study of the water quality in Caribbean San Juan, Puerto Rico 2005. Poster presentation.	
Professional Experience	Teaching Assistant in Genetic Lab, University of Puerto Rico, Mayagüez Campus.	January 2004-May 2007
	Teaching Assistant in Introduction to Biological Sciences Lab, University of Puerto Rico, Mayagüez Campus.	August , 2003
	Laboratory Assistant in Parasitology and Hematology, Social Security Hospital-Cusco, Perú.	January- March, 2001
Professional Skills	Molecular Biology Techniques: DNA extraction, PCR, Colony PCR, Electrophoresis, Handling of Restriction enzymes, rDNA hybridization, ARDRA, T-RFLP, Bacterial transformation, DNA-clonation. Microbiology Laboratory: Preparation of culture medium, isolation and purification of microorganisms, antibiotic sensitivity testing, staining techniques, and identification of microorganisms. Taxonomic classification of marine phytoplankton. Computer: Microsoft Office (Excell, Word P.point) InfoStat, databank NCBI, Ribosomal Database Project and several statistical analysis software.	
Honors	Scholarship of UPRM to study Biology (Master degree), Puerto Rico Ranked sixth Position of the Biology Faculty, National University of San Antonio Abad del Cusco, Perú. Student council Member (faculty council). National University of San Antonio Abad del Cusco, Perú.	April 1999- January 2000
Affiliations	Biologist Society of Perú member.
